Day 1: Robotics & Automation

Day1: Robotics & Automation

11.20-11.20 11.00-11.20 COFFEE BREAK & NETWORKING 11.20-11.40 John Conway, President, Universal Automation Mark Elwell, Head of Sales, KUKA Ireland 12.00-12.20 Patrick Downes, Business Development & Innovation Manager, DesignPro Automation Manager, DesignPro Automation Stephane Vanouche, EMEA Business Development Manager Food & Beverage Packaging Markets, Emerson LUNCH & NETWORKING Next Generation Manufacturing Automation Systems Robots in Action Digital Technologies in Automation Equipment: A Comprehensive Overview of Tools and Benefits Automation Solutions for Sustainable Packaging Systems LUNCH & NETWORKING 13.00-13.20 Tom Mulvey, Lecturer, TUDublin Don Hubbard, Senior Process Engineer, Cardinal Health Manufacturing, Ireland Understanding Measurement Error within a Manufacturing process Unlocking the Potential of Automated Pallet	Times	Name	Topic
Moderator: Lee Bristow, Chief Technology Officer, Phinity Risk Solutions Robotics Mix	9.55-10.00	Lee Bristow, Chief Technology Officer, Phinity Risk Solutions	Opening Remarks
Risk Solutions Panellists: François Disch, Principal Consultant, Schneider Electric, Joe Booth, Chief Executive Officer, Atlus Group & Carlos Villafane, Country Manager - United Kingdom & Ireland, ProGlove 11.00-11.20 COFFEE BREAK & NETWORKING 11.20-11.40 John Conway, President, Universal Automation Next Generation Manufacturing Automation Systems Next Generation Manufacturing Automation Systems Patrick Downes, Business Development & Innovation Manager, DesignPro Automation 12.00-12.20 Stephane Vanouche, EMEA Business Development Manager Food & Beverage Packaging Markets, Emerson LUNCH & NETWORKING 13.00-13.20 Tom Mulvey, Lecturer, TUDublin 13.20-13.40 Don Hubbard, Senior Process Engineer, Cardinal Health Manufacturing, Ireland 13.40-14.00 Sam Moffett, Managing Director, Moffett Automated Storage Dr Yuansong Qiao, Senior Research Fellow, Software Research Institute at Technological University Vanessa Loiola, Robotics Programming Specialist, Valoy Revolutionizing Industry and Beyond: The Power of Digital Transformation, Automation, Digital Transformation, Automation, Automation, Durantion Manufacturing Automation Systems Next Generation Manufacturing Automation Next Generation Manufacturing Automation Systems Pack Generation Manufacturing Automation Systems Automation Solutions for Sustainable Packaging Systems LUNCH & NETWORKING Warehouse automation and robotics, from the USA to Europe, from the sky to under the sea Understanding Measurement Error within a Manufacturing process Unlocking the Potential of Automated Pallet Storage: Opportunities and Challenges for Businesses Por Yuansong Qiao, Senior Research Fellow, Software Research Institute at Technological University Revolutionizing Industry and Beyond: The Power	10.00-10.20	Lee Bristow, Chief Technology Officer, Phinity Risk Solutions	
11.20-11.40 John Conway, President, Universal Automation Systems 11.40-12.00 Mark Elwell, Head of Sales, KUKA Ireland Robots in Action 12.00-12.20 Patrick Downes, Business Development & Innovation Manager, DesignPro Automation Stephane Vanouche, EMEA Business Development Manager Food & Beverage Packaging Markets, Emerson Systems 12.40-13.00 LUNCH & NETWORKING 13.00-13.20 Tom Mulvey, Lecturer, TUDublin Warehouse automation and robotics, from the USA to Europe, from the sky to under the sea Manufacturing, Ireland Understanding Measurement Error within a Manufacturing process 13.40-14.00 Sam Moffett, Managing Director, Moffett Automated Storage Unlocking the Potential of Automated Pallet Storage: Opportunities and Challenges for Businesses 14.00-14.20 Vanessa Loiola, Robotics Programming Specialist, Valoy Revolutionizing Industry and Beyond: The Power	10.20-11.00	Risk Solutions Panellists: François Disch, Principal Consultant, Schneider Electric, Joe Booth, Chief Executive Officer, Atlus Group & Carlos Villafane, Country Manager - United Kingdom &	
11.40-12.00 Mark Elwell, Head of Sales, KUKA Ireland Robots in Action 12.00-12.20 Patrick Downes, Business Development & Innovation Manager, DesignPro Automation Stephane Vanouche, EMEA Business Development Manager Food & Beverage Packaging Markets, Emerson Systems 12.40-13.00 LUNCH & NETWORKING 13.00-13.20 Tom Mulvey, Lecturer, TUDublin Warehouse automation and robotics, from the USA to Europe, from the sky to under the sea Manufacturing, Ireland Understanding Measurement Error within a Manufacturing process 13.40-14.00 Sam Moffett, Managing Director, Moffett Automated Storage Provided	11.00-11.20	COFFEE BREAK & NETWORKING	
Patrick Downes, Business Development & Innovation Manager, DesignPro Automation 12.20-12.40 Stephane Vanouche, EMEA Business Development Manager Food & Beverage Packaging Markets, Emerson 12.40-13.00 LUNCH & NETWORKING 13.00-13.20 Tom Mulvey, Lecturer, TUDublin 13.20-13.40 Don Hubbard, Senior Process Engineer, Cardinal Health Manufacturing, Ireland 13.40-14.00 Sam Moffett, Managing Director, Moffett Automated Storage 14.00-14.20 Dr Yuansong Qiao, Senior Research Fellow, Software Research Institute at Technological University 14.00-14.20 Vanessa Loiola, Robotics Programming Specialist, Valoy Digital Technologies in Automation Equipment: A Comprehensive Overview of Tools and Benefits Automation Solutions for Sustainable Packaging Systems Automation Solutions for Sustainable Packaging Systems 14.00-13.00 University Automation Automation and robotics, from the USA to Europe, from the sky to under the sea Understanding Measurement Error within a Manufacturing process Unlocking the Potential of Automated Pallet Storage: Opportunities and Challenges for Businesses 14.00-14.20 Vanessa Loiola, Robotics Programming Specialist, Valoy Revolutionizing Industry and Beyond: The Power	11.20-11.40	John Conway, President, Universal Automation	
12.20-12.40 Manager, DesignPro Automation Comprehensive Overview of Tools and Benefits 12.20-12.40 Stephane Vanouche, EMEA Business Development Manager Food & Beverage Packaging Markets, Emerson Systems 12.40-13.00 LUNCH & NETWORKING 13.00-13.20 Tom Mulvey, Lecturer, TUDublin Warehouse automation and robotics, from the USA to Europe, from the sky to under the sea Understanding Measurement Error within a Manufacturing, Ireland Unlocking the Potential of Automated Pallet Storage: Opportunities and Challenges for Businesses 14.00-14.20 Dr Yuansong Qiao, Senior Research Fellow, Software Research Institute at Technological University Vanessa Loiola, Robotics Programming Specialist, Valoy Revolutionizing Industry and Beyond: The Power	11.40-12.00	Mark Elwell, Head of Sales, KUKA Ireland	Robots in Action
12.40-13.00 13.00-13.20 Tom Mulvey, Lecturer, TUDublin 13.20-13.40 Don Hubbard, Senior Process Engineer, Cardinal Health Manufacturing, Ireland 13.40-14.00 Sam Moffett, Managing Director, Moffett Automated Storage Dr Yuansong Qiao, Senior Research Fellow, Software Research Institute at Technological University Food & Beverage Packaging Markets, Emerson Systems Warehouse automation and robotics, from the USA to Europe, from the sky to under the sea Understanding Measurement Error within a Manufacturing process Unlocking the Potential of Automated Pallet Storage: Opportunities and Challenges for Businesses Robotic Innovation & "Test Before Invest" facilities in TUS Athlone Vanessa Loiola, Robotics Programming Specialist, Valoy Revolutionizing Industry and Beyond: The Power	12.00-12.20		
13.00-13.20 Tom Mulvey, Lecturer, TUDublin 13.20-13.40 Don Hubbard, Senior Process Engineer, Cardinal Health Manufacturing, Ireland 13.40-14.00 Sam Moffett, Managing Director, Moffett Automated Storage Dr Yuansong Qiao, Senior Research Fellow, Software Research Institute at Technological University 14.20-14.40 Varehouse automation and robotics, from the USA to Europe, from the sky to under the sea Understanding Measurement Error within a Manufacturing process Unlocking the Potential of Automated Pallet Storage: Opportunities and Challenges for Businesses Robotic Innovation & "Test Before Invest" facilities in TUS Athlone 14.20-14.40 Vanessa Loiola, Robotics Programming Specialist, Valoy Revolutionizing Industry and Beyond: The Power	12.20-12.40		
13.20-13.40 13.40-14.00 13.40-14.20 13.40-14.00 Don Hubbard, Senior Process Engineer, Cardinal Health Manufacturing, Ireland Don Hubbard, Senior Process Engineer, Cardinal Health Manufacturing, Ireland Understanding Measurement Error within a Manufacturing process Unlocking the Potential of Automated Pallet Storage: Opportunities and Challenges for Businesses Dr Yuansong Qiao, Senior Research Fellow, Software Research Institute at Technological University Vanessa Loiola, Robotics Programming Specialist, Valoy Revolutionizing Industry and Beyond: The Power	12.40-13.00	LUNCH & NETWORKING	
Manufacturing, Ireland Manufacturing process Unlocking the Potential of Automated Pallet Storage: Opportunities and Challenges for Businesses Dr Yuansong Qiao, Senior Research Fellow, Software Research Institute at Technological University Page 14.40 Nanufacturing process Unlocking the Potential of Automated Pallet Storage: Opportunities and Challenges for Businesses Robotic Innovation & "Test Before Invest" facilities in TUS Athlone Vanessa Loiola, Robotics Programming Specialist, Valoy Revolutionizing Industry and Beyond: The Power	13.00-13.20	Tom Mulvey, Lecturer, TUDublin	
13.40-14.00 Sam Moffett, Managing Director, Moffett Automated Storage Storage: Opportunities and Challenges for Businesses 14.00-14.20 Dr Yuansong Qiao, Senior Research Fellow, Software Research Institute at Technological University Vanessa Loiola, Robotics Programming Specialist, Valoy Revolutionizing Industry and Beyond: The Power	13.20-13.40		
Research Institute at Technological University facilities in TUS Athlone Vanessa Loiola, Robotics Programming Specialist, Valoy Revolutionizing Industry and Beyond: The Power	13.40-14.00	Sam Moffett, Managing Director, Moffett Automated Storage	Storage: Opportunities and Challenges for
	14.00-14.20		
	14.20-14.40		
14.40-15.00 Garry Allen, Contracted Training Officer, Kildare Wicklow Education and Training Board (KWETB) Fully funded Robotics & Manufacturing Courses Available from KWETB	14.40-15.00		
15.00-15.05 TBC Closing Remarks	15.00-15.05	TBC	Closing Remarks

Automation & Robotics

All presentations/timetables are subject to change. Please check with onsite event timetable on the day.

Full exhibitor profiles available on the website www.manufacturingevent.com | Full speaker profiles available on the website www.manufacturingevent.com
