# Main Stage Day 1: National Manufacturing & Supply Chain Conference and Exhibition

## Main Stage Day 1: National Manufacturing & Supply Chain Conference and Exhibition

Times	Name	Topic
9.55-10.00	Alec Drew, Founder, The Business Expert	Opening Remarks
10.00-10.20	Alec Drew, Founder, The Business Expert	Hiding in Plain Sight - The Unintended Consequence of Technology
10.20-11.00	<b>Moderator:</b> Alec Drew, Founder, The Business Expert <b>Panellists:</b> Dr. Toby Sainsbury, Director, Future Manufacturing Ireland Unit, Department of Enterprise, Trade and Employment, Emma Callinan, Director of Manufacturing Technologies, Enterprise Ireland, Ruairi Ó hAilín, Manager, Operational Excellence and Digital, Enterprise Ireland & Lorcan Brennan, Life Science Technologist, IDA Ireland	Accelerating Irish Manufacturing: The Government of Ireland's Support for Advanced Digital, Physical, and Sustainable Technologies
11.00-11.20	<b>COFFEE BREAK &amp; NETWORKING</b>	
11.20-12.00	Dr. Andrew Lynch, Chief Innovation Officer, Irish Manufacturing Research	Supply Chain Evolution for a New World Order - a global perspective
12.00-12.20	Roberto Migliorini, Partner, McKinseys	Inflation, uncertainty, geo-political tensions, supply chain disruptions and sustainability – how to thrive in this new Era?
12.20-12.40	Ronan Kelly, Global Director of Smart Factory, Pfizer	Leveraging XR to support light speed Manufacturing
12.40-13.00	Bobby Healy, CEO & Founder, Manna	Only the dumbest person in the World would start a drone delivery business
13.00-13.20	Joan Mulvihill, Digitalisation Lead, Siemens	Digitalisation – making organisations more human
13.20-14.00	<b>Fireside Chat:</b> Dr. Gema Antequera, STRADA Lead and Head of Future Industry EU Projects Area for CTAG – Automotive Technology Centre of Galicia & Ruth Kearney, CEO, Nightingale HQ	It's a constant WIP! - Supporting female leaders with STRADA
14.00-14.20	Killian Kinsella, Head of Manufacturing, Supernode	The Future of Energy Transmission: Manufacturing Superconducting Cables
14.20-14.40	Kieran Towey, Managing Director & Data Scientist, KPMG Ireland	Analytics and AI as a team sport, meeting the data challenges!
14.40-15.20	<b>Moderator:</b> Joan Mulvihill, Digitalisation Lead, Siemens <b>Panellists:</b> Ronan Kelly, Global Director of Smart Factory, Pfizer, Killian Kinsella, Head of Manufacturing, Supernode, Brian O'Neill, Fields Services Tender Leader UK & Ireland, Schneider Electric & Oskars Prieditis, Efficiency Engineer, Global Reader	Empowering the Future of Manufacturing: Smart Factories, Digital Transformation, Robotics, and Automation
15.20-15.25	Alec Drew, Founder, The Business Expert	Closing Remarks

all digitisation requirements

Visit ifm electronic at  
Manufacturing & Supply  
Chain Expo Stand N01A

Visit us at the Manufacturing & Supply Chain Expo to experience our comprehensive range of sensors, systems and software. Learn how to use sensor data to reliably control your processes, avoid unplanned downtimes and generate added value. Regardless of whether you are looking for innovative individual solutions or a sensor to cloud system: We offer you the right products and the know-how required for implementation. Are you ready for state-of-the-art system solutions?

We look forward to meeting you!

**ifm** – close to you!

# Main Stage Day 2: National Manufacturing & Supply Chain Conference and Exhibition - Sustainability Manufacturing Stage

## Main Stage Day 2: National Manufacturing & Supply Chain Conference and Exhibition Sustainability Manufacturing Stage

Times	Name	Topic
9.55-10.00	Brian Barry, Event MC, BRIAN BARRY Presentations	Opening Remarks
10.00-10.20	Prem Kumar Balasubramanian, Global Supply Chain and Sustainability Solutions Leader, IBM Consulting	Turn Sustainability Ambition into Action
10.20-10.40	Pauline O'Flanagan, Director Engineering Industries Ireland, Ibec	ESG and Corporate Sustainability Reporting
10.40-11.10	Eleanor Young, Category Director for the Industrial Sector, Farnell & Luke Walsh, Managing Director at Brainboxes	Improve your bottom line without costing the earth
11.10-11.30	Diana Vaz, Renewable Research Technologist, IMR	The Role of Renewable Energy Systems (RES) in the decarbonisation of industry
11.30-11.50	Craig Needham, Director of Commercial Real Estate, CoolPlanet	A Clear Action Plan for Decarbonisation
11.50-12.30	<b>Moderator:</b> Brian Barry, Event MC, BRIAN BARRY Presentations <b>Panellists:</b> Oisin Joyce, Policy Director, Irish Solar Energy Association, Seamus Crickley, Director, WEW Engineering Ltd., Craig Needham, Director of Commercial Real Estate, CoolPlanet & Prem Kumar Balasubramanian, Global Supply Chain and Sustainability Solutions Leader, IBM Consulting	Driving Sustainability in Manufacturing: Harnessing the Power of Green Energies for Business Growth
12.30-12.50	<b>LUNCH &amp; NETWORKING</b>	
12.50-13.10	Sean Robinson, Manager, Software Solutions, Novotek UK & Ireland	Sustaining Manufacturing Excellence in Turbulent Times - Industry 4.0 means better response to energy and supply chain challenges
13.10-13.30	Oisin Joyce, Policy Director, Irish Solar Energy Association	The Potential of Onshoring Solar Manufacturing in Ireland
13.30-13.50	Ashleigh Connors, Sustainable IT Consultant, TEKenable	Accelerate your Supply Chain Sustainability Journey with Rapid Digital Transformation
13.50-14.10	Seamus Crickley, Director, WEW Engineering Ltd.	Decarbonisation and the Circular Economy
14.10-14.30	Nick Racster, CEO, KaizApp AG	AI supported continuous improvement for 10x stronger results
14.30-14.35	Brian Barry, Event MC, BRIAN BARRY Presentations	Closing Remarks

# Day 1: IoT, Industry 4.0, AI & 5G

## Day 1: IoT, Industry 4.0, AI & 5G

Times	Name	Topic
9.55-10.00	John Cleere, Director, Unmake	Opening Remarks
10.00-10.20	Paul Geoghegan, VP Business Development, Net Feasa	Digitizing the Global Intermodal & Maritime Supply Chain
10.20-10.40	Roman Zhukov, Product Security Manager, Intel	Digital supply chain risk: re-thinking the reusing of software
10.40-11.00	Richard Jeffers, Founder & MD, RS Industria	IIoT and RS Industria
11.00-11.20	<b>COFFEE BREAK &amp; NETWORKING</b>	
11.20-11.40	François Disch, Principal Consultant, Schneider Electric	From developing capability to creating a brand-new offering portfolio
11.40-12.00	Sean Robinson, Manager, Software Solutions, Novotek UK & Ireland	Sustaining Manufacturing Excellence in Turbulent Times - Industry 4.0 means better response to energy and supply chain challenges
12.00-12.40	Daksh Kumar, Global Solution Leader, IBM Consulting, Deepa Sridhar, Senior Solution Consultant, IBM Consulting & Meenakshi Chorge, Senior Solution Consultant, IBM Consulting	Reimagine supply chain transformation with process mining
12.40-13.20	<b>LUNCH &amp; NETWORKING</b>	
13.00-13.20	Edicson Santiago Bonilla Diaz, Technical Lead, Eastway Reliability	Condition Monitoring, an introduction to the application of Industry 4.0 technologies in the manufacturing sector
13.20-13.40	Stuart Lunn, Sales Manager, Izon Live	Business knowledge vs Intelligence - how to leverage IoT to maximise your operations
13.40-14.00	Declan Foster, Founder & Author, Humology	Let's Demystify AI and Understand the Implications for our Organisations
14.00-14.20	Paul Byrnes, CEO, DataMinfo	Barriers to Industry 4.0: Views from The Shop Floor
14.20-14.40	Paul Sheridan, Chartered Engineer & Technical Commissioning Programme Manager, Accenture Ireland	IT OT - we all IoT Together
14.40-15.00	Jerrin Alexander, Head of Solutions, Cognition.World	Leveraging IoT and Industry 4.0 for a Smarter and Greener World through an IoT-Led Sustainability Management Platform
15.00-15.20	Riccardo Oberdano, PID Software Integration & Support Engineer, Control Station	Modeling and optimization approaches to PID controlled processes and system.
15.20-15.25	John Cleere, Director, Unmake	Closing Remarks

# Day 2: Supply Chain & Logistics

## Day 2: Supply Chain & Logistics

Times	Name	Topic
9.55-10.00	Patrick Daly, Director & Principal Consultant, Alba Logistics	Opening Remarks
10.00-10.20	Elisabetta Battistella, Managing Director, Process Automation London Ltd	Building Anticipatory Supply Chains
10.20-10.40	Mark McKeever, Director, PwC	ESG Empowered Value Chains 2025
10.40-11.00	Patrick Daly, Director & Principal Consultant, Alba Logistics	The Four Great Trends Transforming Supply Chain Logistics
11.00-11.20	Paddy Barr, Managing Director, Barr Performance Coaching Ltd	Implementing a Sustainable Manufacturing & Strategic Sourcing Strategy
11.20-11.40	David Sadlier, Director of Strategic Development and Quality, Rhenus Logistics	The Power of Logistics: How to Transform Your Supply Chain and Drive Sustainable Growth
11.40-12.00	Rabia Mirza, CEO, Leadership & HR Solutions	7 ways to master your leadership skills
12.00-12.30	<b>LUNCH &amp; NETWORKING</b>	
12.30-12.50	Trevor Dempsey, Director - Customs & International Trade Services, BDO Ireland	Customs programmes for JIT (Just In Time) Manufacturing Supply Chain
12.50-13.10	Tony McVeigh, Principal - Operations, PerformanSC	Managing Uncertainty with Safety Stock
13.10-13.50	<b>MODERATOR:</b> Patrick Daly, Director & Principal Consultant, Alba Logistics <b>PANELLISTS:</b> David Sadlier, Director of Strategic Development and Quality, Rhenus Logistics, Howard Knott, Logistics Consultant, Irish Exports Association & Lorraine Hagerty, Principal of Client Operations, PerformanSC & Conor O'Geran, Principal Consultant, Pinta Consulting	Supply Chain Strategies for the Future: Responding to Shocks and Trends
13.50-14.10	Lorraine Hagerty, Principal of Client Operations, PerformanSC	Optimising your supply chain to manage your costs
14.10-14.30	Maurice Brady, Lecturer, TU Dublin	Leveraging knowledge management for enhanced logistics and supply chain skills and competencies
14.30-14.35	Patrick Daly, Director & Principal Consultant, Alba Logistics	Closing Remarks

# KUKA

**LBR iisy makes difficult tasks easy.**  
Greater ease for complex processes.

Where complex work sequences are involved, KUKA's LBR iisy robot gives your business a decisive productivity advantage: mastering the reliable handling and processing of parts. Highly versatile, intuitive to operate and reliable in contact with humans the **LBR iisy** is a cobot for all production areas.

KUKA Robotics Ireland shall be at the NMSCC and shall be previewing the **LBR iisy** the KUKA portfolio's newest addition, that combines the know-how of industrial automation with the flexibility and simplicity of an intelligent tool.

KUKA Robotics Ireland Ltd.  
T: 042 9395034  
E: sales.ie@kuka.com

# Day 1: Procurement

## Day 1: Procurement

Times	Name	Topic
9.55-10.00	Kyriakos Christodoulides, Founder, Novel Intelligence Ltd	Opening Remarks
10.00-10.20	Margaret Dineen, CEO & Founder, Blue Sky Food Consulting	The role of Circular Procurement in manufacturing and supply chains
10.20-10.40	Patrick Lynn, Manager - Advisory Practice, PwC Ireland	Managing supplier risk in the most effective way
10.40-11.00	Dr. Kyriakos Christodoulides, Founder, Novel Intelligence Ltd	Advanced Procurement Analytics Simplified: How to Monetise Risk, Reduce Costs and Optimise Operations
11.00-11.20	<b>COFFEE BREAK &amp; NETWORKING</b>	
11.20-11.40	Noel Lourdes, Commercial Lead, School of Computer Science, Technology University Dublin	Project Spear: An Attempt To Use Applied AI To Disrupt How We Think About Improving Profit
11.40-12.00	Dr. Yvonne Delaney, President of IPICS - The Supply Chain Institute & Course Director, Supply Chain Executive Apprenticeship Programmes	Supply Chain Professional Apprenticeships
12.00-12.20	Prashant Kumar, Senior Consultant, Supply Chain, PerformanSC	Maximise your operational capacity by optimising warehouse design
12.20-12.40	Megan Yeates, Gold Medal Winner in Freight Forwarding and Apprentice Coordinator, Freight Transport Association	How to Encourage the Next Generation into Logistics
12.40-13.00	<b>LUNCH &amp; NETWORKING</b>	
13.00-13.20	Garry Holligan, Head of Sales, Invoice Fair	Funding manufacturing projects in turbulent times
13.20-13.40	Nigel Irvine, Founder & CEO, Specialist Export Solutions Ltd	Let's get Exporting! The smarter way to start.
13.40-14.00	Michael Gerner, Principal Director, Precise Proposals	To bid or not to bid. That is the question.
14.00-14.20	Richard Hales, UK & Ireland General Manager, Supply Chain Partner (SCP)	Intelligent automation of procurement, from Sourcing through purchase, to payment.
14.20-14.40	Dan Wood, Head of Solutions Consulting and Adam Jamal, Partnerships Manager	Rebates as a Strategy: Turning Contracts into Cash
14.40-15.00	Brian Murphy, Managing Director, Global Trade Ltd	The future of Customs; EU and Global
15.00-15.20	John Lynch, Chartered Consultant, John Lynch & Associates	The 'Influential Factors Corporate & Social Responsibility Has On The Supply Chain Management'
15.20-15.25	TBC	Closing Remarks

IRISH  
MANUFACTURING  
RESEARCH

“  
**IMR provide excellent training courses, I know our own staff in Mann Engineering have gotten considerable benefits from them.**  
”  
\*Patrick Coldrick, Mann Engineering

# INTRODUCTION TO INNOVATION THROUGH ROBOTICS COURSE

## 37 HOURS ENGINEERS IRELAND APPROVED CPD

On successful completion of this Internationally recognised award-winning course participants will be able to identify and evaluate deployment opportunities for robotics and automation in their organization and identify where the greatest business impact can be achieved.

Throughout this course you will be supported by IMR's expert instructors in putting together an innovation approach, specific to your business.

The course is intended for anyone planning their automation strategy and interested in understanding and using Robots; it covers the core concepts plus state-of-the-art approaches, planning and evaluating robotics, plus outlining the pitfalls involved.

# Day 2: Packaging, Plastics & Recycling

## Day 2: Packaging, Plastics & Recycling

Times	Name	Topic
9.55-10.00	Dave Garforth, Program Director, RPM Program	Opening Remarks
10.00-10.20	Dermott Reilly, Founder & CEO, NanoLandGlobal Ltd	Sustainable Work Environments
10.20-10.40	Stephane Vanouche, EMEA Business Development Manager Food & Beverage Packaging Markets, Emerson	Automation Solutions for Sustainable Packaging Systems
10.40-11.00	Ray O'Mahony, Technical Manager, Symetri Europe	A Sustainable Development Roadmap through Digital Innovation
11.00-11.20	<b>COFFEE BREAK &amp; NETWORKING</b>	
11.20-11.40	Dave Garforth, Program Director, RPM Program	Zero Plastic to Landfill
11.40-12.00	Tom Gaynor, Head of Operations - Recovery & Recycling, Repak	The Packaging Opportunity
12.00-12.20	Dr. Denis Hyams-Ssekasi, Senior Lecturer, University of Bolton	The Future of Plastic Recycling: Challenges and Opportunities
12.20-12.40	Dr. Aodhan Newsholme, Lecturer, Munster Technological University	The potential of the circular economy in building sustainable and resilient value chains
12.40-13.00	Donough McGrath, Senior Principal Engineer, Johnson & Johnson	Sustainable materials and methods for possible medical device packaging applications
13.00-13.20	Dr. Amit Jaiswal, Lecturer - School of Food Science and Environmental Health, TU Dublin	Sustainable and Biodegradable Food Packaging Solutions
13.20-13.40	Moderator: Dave Garforth, Program Director, RPM Program	Speaker Q&A
13.40-13.45	Dave Garforth, Program Director, RPM Program	Closing Remarks

# Ewals Cargo Care

## Multimodal Logistics

Delivered With Local Expertise

A fleet of 3800+ Mega Trailers

Shipping over 800 loads per month in and out of Ireland

## Connecting Ireland to the Whole of Europe

With over 100 years of history of providing transport excellence across Europe, Ewals Cargo Care are a premier provider of Multimodal Logistics for our customers and their goods.

31

Locations

### Mega Huckepack XLS

Able to carry a wide range of cargo types

14

Countries

### Secure Cargo Transport

Reinforced curtain sides for extra strength

2750

Loads per day

### Fully Tracked Shipments

Track online via Shippeo or API / EDI

3800+

Trailers

### Daily Departures Across IRE

Sailing from ports across the country

# Day 1: Robotics & Automation

## Day1: Robotics & Automation

Times	Name	Topic
9.55-10.00	Lee Bristow, Chief Technology Officer, Phinity Risk Solutions	Opening Remarks
10.00-10.20	Lee Bristow, Chief Technology Officer, Phinity Risk Solutions	Neural Science of compliance - Can Ethics and Robotics Mix
10.20-11.00	<b>Moderator:</b> Lee Bristow, Chief Technology Officer, Phinity Risk Solutions <b>Panellists:</b> François Disch, Principal Consultant, Schneider Electric, Joe Booth, Chief Executive Officer, Atlas Group & Carlos Villafane, Country Manager - United Kingdom & Ireland, ProGlove	Unleashing Manufacturing Excellence: The Power of Digital Transformation, Automation, and AI for Organizational Optimization
11.00-11.20	<b>COFFEE BREAK &amp; NETWORKING</b>	
11.20-11.40	John Conway, President, Universal Automation	Next Generation Manufacturing Automation Systems
11.40-12.00	Mark Elwell, Head of Sales, KUKA Ireland	Robots in Action
12.00-12.20	Patrick Downes, Business Development & Innovation Manager, DesignPro Automation	Digital Technologies in Automation Equipment: A Comprehensive Overview of Tools and Benefits
12.20-12.40	Stephane Vanouche, EMEA Business Development Manager Food & Beverage Packaging Markets, Emerson	Automation Solutions for Sustainable Packaging Systems
12.40-13.00	<b>LUNCH &amp; NETWORKING</b>	
13.00-13.20	Tom Mulvey, Lecturer, TUDublin	Warehouse automation and robotics, from the USA to Europe, from the sky to under the sea
13.20-13.40	Don Hubbard, Senior Process Engineer, Cardinal Health Manufacturing, Ireland	Understanding Measurement Error within a Manufacturing process
13.40-14.00	Sam Moffett, Managing Director, Moffett Automated Storage	Unlocking the Potential of Automated Pallet Storage: Opportunities and Challenges for Businesses
14.00-14.20	Dr Yuansong Qiao, Senior Research Fellow, Software Research Institute at Technological University	Robotic Innovation & "Test Before Invest" facilities in TUS Athlone
14.20-14.40	Vanessa Loiola, Robotics Programming Specialist, Valoy Automation Limited	Revolutionizing Industry and Beyond: The Power of Automation and Robotics
14.40-15.00	Garry Allen, Contracted Training Officer, Kildare Wicklow Education and Training Board (KWETB)	Fully funded Robotics & Manufacturing Courses Available from KWETB
15.00-15.05	TBC	Closing Remarks

# As easy as 123-3D.ie

Experience the future of printing with 123-3D.ie, Ireland's largest dedicated 3D printing webshop, brought to you by leading online printer supplies company 123ink.ie.

At 123-3D.ie, we're committed to providing top-quality 3D printers, accessories, and filaments, all at the lowest prices on the market. With an unmatched range of 3D printing supplies, we're the go-to destination for businesses across Ireland.

Our extensive stock includes thousands of items ready for dispatch, with an ever-increasing range of filaments, 3D printers, and spares. Thanks to same-day dispatch for in-stock items, you can rest assured that your printing projects will always stay on track, and on time.

We're passionate about providing personalised customer service, and our in-house experts are always on hand to offer tailored advice on everything from product selection to printer setup, backed by a really comprehensive online knowledge base. This dedication to quality sets us apart from other retailers, and has helped businesses in many different sectors optimise their 3D printing activities.

At 123-3D.ie, we make buying hassle-free with highly competitive prices and a no-quibble lifetime guarantee on our own-brand products.

As well as stocking materials from well-known and trusted brands such as eSUN, Polymaker, REAL, and ColorFabb, we offer our own premium quality filament range, available in a variety of materials and colours, tested to the highest standards and capable of competing with the top brands. Several filaments are available in large spool sizes of up to 5kg, perfect for high-volume printing.

123ink.ie boasts over 17 years of experience as a leading online retailer of printer consumables and office supplies with almost 350,000 business and residential customers.

*Dave Doyle, Commercial Manager, 123-3D.ie*

**Join the 3D printing revolution with 123-3D.**

Visit [www.123-3D.ie](http://www.123-3D.ie) for our full range of products and start creating the future, today.

# Day 2: Pharmaceuticals, MedTech, BioTech & Life Sciences

## Day 2: Pharmaceuticals, MedTech, BioTech & Life Sciences

Times	Name	Topic
9.55-10.00	Patrick O'Sullivan, Director of Data & Analytics - Life Science, EY	Opening Remarks
10.00-10.20	Desmond O'Sullivan, Global Director PMO, Optel Group	The Future of Pharmaceutical Supply Chains
10.20-10.40	Donal Sullivan, CEO, CompuCal Calibration Solutions	How CompuCal is helping MedTech manufacturers from big to small.
10.40-11.00	Ann O'Connell, Head of Funded Projects for Medtech & Engineering, IBEC	Strengthening Ireland's Medtech Talent Ecosystem
11.00-11.20	Wandrille Vallet, VP Global Medical Practice Leader, Manufacturing Intelligence Division, Hexagon	Digital Transformation in MedTech
11.20-11.40	Paul Deans, Major Pursuits Director UK & I, Schneider Electric	Digital Transformation in Life Sciences.
11.40-12.00	Ankur Solanki, Application Engineering Specialist, 3M	Redefining the Upstream Clarification space in the Manufacturing of Therapeutic Proteins using Single-stage AEX-based technologies, thereby driving better process economics.
12.00-12.30	<b>LUNCH &amp; NETWORKING</b>	
12.30-12.50	Peter Kelly, CEO, Pharmafilter Group Holdings	Decontaminating Pharmaceutical and HealthCare Wastewater
12.50-13.10	Sandeep Khuperkar, CEO, Data Science Wizards	Revolutionizing the Pharma and Life Sciences Industry with the AI-Powered UnifyAI Platform
13.10-13.30	Vasileios Lyritzis, Technical Director, Miiplan	Minplan – Empowerment and Psychological Safety with the use of Artificial Intelligence
13.30-13.50	Dean Winder, Senior Regulatory Consultant, CIRS Europe	An Irish Importers Guide to EU Chemical Regulations
13.50-13.55	Patrick O'Sullivan, Director of Data & Analytics - Life Science, EY	Closing Remarks

# Day 1: 3D Printing, High-Tech Manufacturing & Advanced Engineering

## Day 1: 3D Printing, High-Tech Manufacturing & Advanced Engineering

Times	Name	Topic
9.55-10.00	Kieron Swords, High-Tech Manufacturing Specialist, Dynamic Innovations	Opening Remarks
10.00-10.20	Kevin Burtchaell, Director, Keltia Ireland Ltd	Introducing CATIA to Irish Industry- Aerospace, Automotive and Construction
10.20-10.40	Cathal Finch, Area Sales Manager (Ireland), Tyrolit	Bristle Brush Applications for Metal Cleaning & Finishing
10.40-11.00	Paul Quinn, Lead Additive Manufacturing Applications and Training Engineer, Inspire 3D	Additive Manufacturing a Business Proposition
11.00-11.20	<b>COFFEE BREAK &amp; NETWORKING</b>	
11.20-11.40	Kyriakos Kourousis, Senior Lecturer (Associate Professor), University of Limerick	On the Mechanical Performance of Additively Manufactured Metals: Capabilities and Limitations
11.40-12.00	Eamonn Kelly, Business Development Manager, Profitsflow	Managing Supply Chain using MRP software
12.00-12.20	Dr. Paul Tansey, CTO & Co-Founder, TANTEK4D	Digital Twins within the Manufacturing Sector: Making Virtual Constructs of Physical Entities
12.20-12.40	Dermot Brabazon, Professor, Dublin City University	Digitisation of metal AM for part microstructure and property control
12.40-13.20	<b>LUNCH &amp; NETWORKING</b>	
13.20-13.40	Kieron Swords, High-Tech Manufacturing Specialist, Dynamic Innovations	Sustainability and Circular Economy in Advanced Manufacturing
13.40-14.00	Martin Leahy, Sales Engineer, maxon	The Magic of the Ironless Winding
14.00-14.20	Jufan Zhang, Assistant Professor, Lecturer, PI, UCD Centre of Micro/Nano Manufacturing Technology	Micro and nano manufacturing to atomic scale manufacturing – applications and perspectives for bio-medical innovations
14.20-14.40	Martin Downey, Product Specialist, 3D Technology Ltd	Forging the Future: Advancements and Applications in Metal 3D Printing
14.40-15.00	Patrick Liddy, Managing Director, UtilityAR	Augmented Reality and Smart Glasses for Industry
15.00-15.20	Adnan Ćosić, Product Strategy and Integrations Manager, VIEWAR GmbH	Resolving the Skills Gap and Workforce Shortage - How Augmented Reality increases Productivity of People
15.20-15.25	Kieron Swords, High-Tech Manufacturing Specialist, Dynamic Innovations	Closing Remarks

# Day 2: Careers, Skills & Training - The Future of Work

## Day 2: Careers, Skills & Training - The Future of Work

Times	Name	Topic
9.55-10.00	Doug Gordon, CEO, D&S Performance Optimisation Ltd	Opening Remarks
10.00-10.20	Barry Prost, Co-Founder, Rent a Recruiter	The 6 key recruitment trends employers are adopting in 2023
10.20-10.40	Fiona Fennell, Network Manager, Engineering Skillnet	Future-proofing our manufacturing workforce – the 'soft skills' that are hardest to replicate or replace
10.40-11.00	Brian Smyth, Managing Partner, Maybe International	Being truly Successful by being Truly Human
11.00-11.20	Maria Tecce, Public Speaking Coach, Maria Tecce Inc.	Robotics 2.0: Why Storytelling Is the Future of Technology
11.20-11.40	Trish Breen, Manufacturing Eng & Polymer Apprenticeships Manager, Ibec	Apprenticeships in Ireland with a focus on Mfg Eng & Polymer Apprenticeships and how these can help businesses
11.40-12.00	James Kearney, Education Manager, CILT Mobility & Supply Chain Skillnet	Opportunities for targeted skills development and for recognition of professional experience
12.00-12.30	<b>LUNCH &amp; NETWORKING</b>	
12.30-12.50	Doug Gordon, CEO, D&S Performance Optimisation Ltd	Effective Leadership & High Performing Teams
12.50-13.10	David Mitchell, Associate Director, Millar McCall Wylie Solicitors	Cross Border Employment and HR issues
13.10-13.30	John McManus, Country Director, Advanced	Supercharging your manufacturing by becoming proactive with your people
13.30-13.50	Aoife Prendergast, Careers & Employability Manager, TUS Midwest	Future Proofing Employability Skills
13.50-14.10	Norayr Nagapetyan, Managing Director, Nextensor	Future of Technical Collaboration for Remote Teams is here...Nextensor
14.10-14.30	Tom O'Brien, Founder & CEO, Sprintmodo	What makes Great Teamwork?
14.30-14.35	Doug Gordon, CEO, D&S Performance Optimisation Ltd	Closing Remarks

# Day 2: Digital Transformation in Manufacturing

## Day 2: Digital Transformation in Manufacturing

Times	Name	Topic
9.55-10.00	Gültekin Cakir, Research Fellow, Innovation Value Institute	Opening Remarks
10.00-10.20	Noel Power, Head of Warehousing, Facilities & Logistics for PFL Group	Embracing digital transformation in the supply chain with Zetes
10.20-10.40	John Conway, President, Universal Automation	Next Generation Manufacturing Automation Systems
10.40-11.00	Ken Sheehan, CTO & Co-Founder of WrxFlo	Lean Digital Transformation / People Process Technology
11.00-11.20	Mark Flynn, Managing Director, Rubik	Digital Transformation - why you are not getting the bang for your buck
11.20-11.40	Noel Lourdes, Commercial Lead, School of Computer Science, Technology University Dublin	Project Spear: An Attempt To Use Applied AI To Disrupt How We Think About Improving Profit
11.40-12.00	Kevin Wulff, Outside Sales and Consultant, Inevvo Solutions	Digital maintenance with CONEXO and your benefits
12.00-12.20	Mark Kane, Co-Founder, Sustainable-IT	Sustainable Digital Transformation
12.20-12.30	<b>BREAK &amp; NETWORKING</b>	
12.30-12.50	Gültekin Cakir, Research Fellow, Innovation Value Institute	Logistics-CMF – Towards a Comprehensive Digital Maturity Assessment of Logistics Processes, Skills and Supply Chain Value
12.50-13.30	Daksh Kumar, Global Solution Leader, IBM Consulting, Deepa Sridhar, Senior Solution Consultant, IBM Consulting & Meenakshi Chorge, Senior Solution Consultant, IBM Consulting	Reimagine supply chain transformation with process mining
13.30-13.50	Ken Lynch, Business Manager, TEKenable	Digital Transformation and how putting ERP software should sit at the core of business
13.50-14.10	Donal Sullivan, CEO, CompuCal Calibration Solutions	How an Irish SME embeds in Global Digital ECO system for manufacturers
14.10-14.30	Gregory Contell, Quality, Operations & Culture Director, Nexer Enterprise Applications	Industry 4.0: The Future of Manufacturing.
14.30-14.35	Gültekin Cakir, Research Fellow, Innovation Value Institute	Closing Remarks

# Day 1: Lean, Productivity & Continuous Improvement Summit

## Sponsored by Jigsaw Better Business (AM) / Research & Innovation Stage (PM)

### Day 1: Lean, Productivity & Continuous Improvement Summit Sponsored by Jigsaw Better Business (AM)

Times	Name	Topic
9.55-10.00	Julie O'Sullivan, Head of People Development, Jigsaw Better Business	Opening Remarks
10.00-10.20	Stuart Nelson, Lean & Organisational Coach, Jigsaw Better Business & Sophie Deans, Sustainability Lead, Jigsaw Better Business	People, Planet, & Profit - A Triple Bottom Line Approach
10.20-10.40	Caroline Concannon, HR & Talent Manager - Marco Beverage Systems	How organisational culture impacts employee engagement and performance
10.40-11.00	Liam Farrell, Lean Lead, Boliden Tara Mines	Change & Culture - Where to Start?
11.00-11.20	Kathryn White, Chief People Officer and Head of Corporate Services, Enterprise Ireland & Mary Meaney, Organisational Development, Enterprise Ireland	THRIVE-ing through an Agile Approach to People & Culture
11.20-11.40	Eoghan Brophy, Lean Specialist, Tirlán	Tirlán's Excellence Academy
11.40-12.20	<b>Moderator:</b> Julie O'Sullivan, Head of People Development, Jigsaw Better Business <b>Panellists:</b> Eoghan Brophy, Lean Specialist, Tirlán, Caroline Concannon, HR & Talent Manager - Marco Beverage Systems, Liam Farrell, Lean Lead, Boliden Tara Mines & Kathryn White, Chief People Officer and Head of Corporate Services, Enterprise Ireland	Respect: The Lean Approach to Culture
12.20-12.55	Julie O'Sullivan, Head of People Development, Jigsaw Better Business	A Fearless Lean Culture
12.55-13.00	Julie O'Sullivan, Head of People Development, Jigsaw Better Business	Closing Remarks
13.00-13.15	<b>COFFEE BREAK &amp; NETWORKING</b>	

### Research & Innovation Stage (PM)

13.15-13.20	Darragh Gaffney, Research & Innovation Manager, Industry Research & Development Group	Opening Remarks
13.20-13.40	Joe Madden, Manager Company R&D, Support Enterprise-Ireland	Funding Future Innovation in the Manufacturing Sector – Company R&D supports
13.40-14.00	Cormac McKay, Spokesperson, Aeravai Autonomous Electric Road and Air Vehicle Association of Ireland	Autonomous Vehicles and The Future of Work
14.00-14.20	Darragh Gaffney, Research & Innovation Manager, Industry Research & Development Group	Fund your Innovation pipeline; Tax and grant supports in Ireland.
14.20-14.40	Daire O'Dubhthaigh, R&D Manager, Technical Metals Group	Implementing complex projects: factory fitness, technology feasibility and business case validation.
14.40-15.00	Evander Hopper, Director, Evander Hopper Design	How to innovate in a crowded market
15.00-15.05	Darragh Gaffney, Research & Innovation Manager, Industry Research & Development Group	Closing Remarks

# Enterprise Ireland's Technology Centre "Innovation Through Research Collaboration"

## Enterprise Ireland's Technology Centre - Day 1

Times	Name	Topic
10.00-10.30	Marina Donohoe, Head of Research & Innovation, Enterprise Ireland	Innovation through Research Collaboration: Tech Centre Opening Remarks
10.30-11.00	Dr. Nessa Noronha, Centre Director, Food for Health Ireland	Collaborative Research in the Food Sector for Innovation and Growth
11.00-11.30	Dr. Anne Marie Henihan, Centre Director, DPTC	Innovation and Collaboration to Advance the Future of Dairy Processing
11.30-12.00	John Colreavy, Director, Meat Technology Centre & Jimmy Delaney, Factory Manager, Kepak Group	Sustainable Beef Production – the role of digital platforms
12.00-12.30	<b>BREAK &amp; NETWORKING</b>	
12.30-13.00	Dr. Fergus Quilligan, Director of Digitisation & Analytics, Irish Manufacturing Research	Delivering value on Digital Transformation
13.00-13.30	<b>Moderator:</b> Andrew Lynch, Chief Innovation Officer, Irish Manufacturing Research <b>Panellists:</b> Dr. Anne Marie Henihan, Centre Director, DPTC, John Colreavy, Director, Meat Technology Centre & Dr. Nessa Noronha, Centre Director, Food for Health Ireland	Driving & Powering the Irish economy: why would you engage with a tech centre?
13.30-14.00	Nicolas Aramouni, Research Fellow, Pharmaceutical Manufacturing Technology Centre	Pharmaceutical plant cleaning: a critical operation to optimize for sustainable processing
14.00-14.30	John Morrissey, Executive Director, Microelectronic Circuits Centre Ireland	MCCI - connecting the physical and digital worlds with pioneering microelectronic circuits
14.30-15.00	Dave Farrelly, Head of Membership Services, Learnovate & Ilse White, Senior Researcher, Learnovate	Research Innovation in a Real-Life Setting
15.00-15.30	Ricardo Simon Carbajo, Director of Innovation & Development, CeADAR	AI in Manufacturing, Case Studies from CeADAR

## Enterprise Ireland's Technology Centre - Day 2

Times	Name	Topic
10.00-10.30	Tom Kelly, Divisional Manager Industrial & Lifesciences, Enterprise Ireland	The Importance of Irish Industries & Manufacturers Innovating – the need to build internal capability and collaborating in the network.
10.30-11.00	Dr. Nessa Noronha, Centre Director, Food for Health Ireland	Collaborative Research in the Food Sector for Innovation and Growth
11.00-11.30	Dr. Niamh Burke, Dairy Processing Technical Lead, DPTC	DPTC Collaborative Innovation for Sustainable Dairy Processing
11.30-12.00	Peter Gillis, Innovation Services Lead, Learnovate, Linda Water, Senior Business Manager, Learnovate	The Role of the Human in AI
12.00-12.30	Sean Costello, Director, Innopharma	Innovation Collaboration-Development of Advanced Process Control and Automation for Consistent Product Quality in a Fluid Bed Granulator using SmartX Platform
12.30-13.00	<b>Moderator:</b> Tamara Wierks, Learning and Development Project Manager, Irish Manufacturing Research <b>Panellists:</b> Linda Water, Senior Business Manager, Learnovate, Sean Costello, Director, Innopharma, John Morrissey, Executive Director, Microelectronic Circuits Centre Ireland & Adrian Mullett, Senior Commercialisation & Enterprise Relationships Manager, CeADAR	Driving & empowering the workforce and technologies of the Future
